## Make a House a Home Campaign

A House of Blessing Ashtabula

A House of Blessing Ashtabula is a transitional housing program for disadvantaged women and children of Ashtabula County. Participants work to overcome the many obstacles that led to homelessness and prepare to move from homelessness to permanent housing. The program will be located at the former St. Joseph Elementary School 3404 Lake Avenue, Ashtabula. The vacant school will be given new life as it is renovated to create homes for 10 homeless families.

Personally help transform the lives of homeless families in your community through the *Make a House a Home Campaign*.
